

# Shift (1 of 2)

*Eddie James*

## RAP 1

*Send a revival Lord, fire blazin'  
The body of Christ is snoring and complacent  
Wake us from our slumber, call us to greatness  
We started the race, with Your help we can make it  
Shake us aggressively, pour out Your love  
Give hope to the ones that stopped and gave up  
Show signs and wonders Lord, all for Your glory  
Father God we need another outpouring  
A shift  
(God send a shift)*

## INTRO

Ohoh, Oh-oh-oh-oh oh-oh-oh, Ohoh, OH--- oh-oh (*Repeat*)  
Shift

## VERSE 1

There's a change in the atmosphere  
There's a moving, and a shaking  
He that hath an ear let him hear, there's a shift  
There's a changing of the guards  
Rising up in this hour are the violent who take it by force  
There's a shift

## CHORUS

Things won't look the same, shift  
Things won't sound the same  
A fresh wind, fresh wine, fresh manna from heaven  
A new wineskin that won't compromise with sin  
Shift

## VERSE 2

There's a new breed of Christian  
Sanctified nazarite, a consecrated tribe, there's a shift  
A bride pure and holy and in the garment polluted by flesh  
Full of passion and glory, there's a shift

# Shift (2 of 2)

## RAP 2

*Let us speak to the spiritual deaf  
Raise the dead  
Remind us that we're the body and You are the head  
Set a fire to this dry and stagnant generation  
Build us an army from every tongue and nation  
Harvest the grain, now is the season  
Transform the atheists, pagans, and heathens  
Faith is believing without having to see it  
The Word is alive and all you gotta do is read it  
So shift  
(The Word is alive all you gotta do is read it, so shift)*

## VERSE 3

The longhairs are coming  
They don't drink wine or touch dead things  
They are lovers of the King, there's a shift  
They read, fast, and pray  
They'll worship, they'll praise all night and all day, there's a shift

## BRIDGE

Shift in fasting, shift in prayer, shift in obedience  
No matter when or where  
Shift in consecration, shift in faith and power  
God's calling all people higher  
Spirit of burning Holy Ghost fire
